### Valentine Waffles

The sweetest capture from our resident ! Thank you to everyone who joined us for the Valentine's Waffle Event at Link in February. It was wonderful to share a sweet morning together and connect with neighbors over fresh waffles and good company.

## What Residents are Saying

### J. Chung

"One of my favorite improvements is the new community events—they've started hosting regular gatherings that really help residents feel welcome and connected. Whether it's casual meet-and-greets, fun activities, or opportunities to mingle with neighbors, these events build a stronger sense of community and make living here even more enjoyable.

Overall, the new management team’s hard work has turned this into a much better, friendlier place to live. The cleanliness, upgrades, responsiveness, and resident-focused initiatives are top-notch. Highly recommend—thank you to the entire team for making such positive changes!”
