• FROM A NEIGHBOR

Michael B.

"Tiana, and especially Paola, have turned out to be an incredible help building the community. The resident communications, events, and overall experience has been incredible. When I compare living here to other properties, I just wish I'd moved here sooner. I did the deepest dive into West Seattle pricing for buildings, floorplans, and all of it, they won out. Every opportunity they have had to help me, they have stepped up. I have been recommending this location to anyone moving, and I'll continue to."
